The Cube Franchise Opportunity

What Do Cube Local Directors Do?

Cube Directors help customers achieve their sales and marketing objectives. Building their social media presence, gaining more appointments for their sales team, creating innovative digital services to gain competitive advantage or just simply getting online.

You'll be using our consultative sales process to recommend the most effective Cube services to help them achieve these objectives. We'll give you all the training you need in how to do this as well as detailed knowledge of our comprehensive portfolio of services.

Once your customer is signed up then Cube's inhouse team of experts commence the development of your project. You can then concentrate on building a stronger relationship with your client and go out and find your next project.

We'll give you access to our extensive library of case studies and portfolio of projects which will assist you in marketing our services to potential clients.

CUBE MARKETING helps businesses and organizations of all sizes to deliver their marketing goals.

Our results-driven & consultative approach really sets us apart in the digital marketing industry. We build strong relationships with our customers so that they come back to us time and time again.

The Cube potential marketplace is vast. Every business needs to market their services and there is something for everyone's budget in the Cube portfolio, along with plenty of cross selling opportunities.

We'll show you how to grow a successful & profitable digital marketing consultancy business that helps customers realize their marketing goals. We'll support you all the way and we can even help you with your lead generation activities.

Our Services

What You'll Need

The only facilities you need are a laptop and a phone. You can work from home so there's no need for business premises. Cube don't charge on ongoing monthly management fee like money franchises, but we do recommend that you have sufficient financial resources to support yourself for the first few months while you get your business up and running.

You will also need some collateral to spend on some marketing activities such as networking events.

As a Cube Director you are able to recommend any of the following services and there are plenty of opportunities for cross selling and options for all budgets:

Bespoke apps Pay monthly websites Bespoke mobile online shops

Social media Marketing Google Marketing / SEO Graphic design

Videos / animation Tele-marketing Email/text marketing

All of your customers receive 24/7 support as standard and we always design until they are satisfied.

5 Reasons to Join Our Growing Team

We deliver results

We're so confident in our ability to deliver results for our customers that we make them commitments for some of our services — and if we don't achieve our targets we work for free until we do!

Excellent Training & Support

We're with you every step of the way. Along with your comprehensive start up training you'll also receive ongoing support and personal development. We are always a phone call or on email away if you need us.

Generous Territory

We'll assign you a comprehensive postcode territory which will be your protected marketing area. Then it's up to you to get out there and meet potential customers, network and close some projects. (Our entry level license has a slightly smaller territory, but it is possible to work up to a larger postcode area as you develop your business.

Impressive potential earnings

Like any business, what you put into your Cube License is what you'll get out. For those who put the effort in, there's potential to earn between £6D-200k annually. There's also plenty of options to build an exciting residual income through selling Vibe's pay monthly offerings such as apps, websites, SEO and Social Media campaigns.

Flexible Working

You choose when you work Full or Part time. As long as you put in enough business development time you can work the hours that suit you.
